Introduction

This directory provides a list of TruHearing network providers. To get detailed information about your hearing coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your hearing services. You may go to any of our network providers listed in this directory; however, you must schedule your appointment by calling TruHearing Customer Care at **1-833-670-4410**. TTY users should call 711. Other providers are available in the TruHearing network.

The provider network may change at any time. You will receive notice when necessary.

Out-of-network providers

Under this plan, you must receive your covered hearing services from a hearing provider who is a member of the TruHearing network. Services will be reduced or denied if you do not use a network hearing provider, and you will be responsible for the full amount charged for those services.

What is the service area for TruHearing?

TruHearing offers a nationwide network that includes additional providers not listed for your plan's service area. For a complete list of TruHearing providers, call TruHearing Customer Care at **1-833-670-4410**. TTY users should call 711.

How do you find TruHearing Providers that serve your area?

As a MedMutual Advantage member, you have access to the TruHearing provider network. This hearing provider directory lists your network providers by county and by specialty. The directory is also available by logging in to My Health Plan at **MedMutual.com/Member**. You can also request a hard copy by calling Customer Care.
