Introduction

This directory provides a list of SuperDental Medicare Advantage network providers. To get detailed information about your dental coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your dental services. You may go to any of the network providers listed in this directory. SuperDental Medicare Advantage does not require referrals for dental providers. Other providers are available in the network. For a complete list of SuperDental Medicare Advantage providers, visit **MedMutual.com/MADental** or call our toll-free number at **1-800-982-3117** for more information. TTY users should call 711.

The provider network may change at any time. You will receive notice when necessary.

Important Note for Signature HMO-POS Plan Members

The MedMutual Advantage Signature HMO-POS plan allows members to receive dental care from out-of-network providers. For all other MedMutual Advantage plans, out-of-network dental providers are not covered.

It may cost more to get care from out-of-network dental providers. Staying in-network means you'll pay less out of pocket and get the most value from your health plan. Out-of-network providers are under no obligation to treat MedMutual Advantage HMO-POS enrollees.

While you can choose to get care from an out-of-network dental provider, the provider must be eligible to participate in Medicare. We cannot pay a provider who is not eligible to participate in Medicare.

For a decision about whether we will cover an out-of-network service, we encourage you to ask your provider to ask us for a predetermination before you receive the service. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

How Do I Submit a Claim?

Most providers will submit a claim for you. However, if the provider does not submit the claim and bills you directly, do **not** pay the bill. Instead, submit the claim to us. Send us a claim form and the itemized bill that includes the diagnosis, procedure, date of service, charge, and provider's name and address. Submit the completed form to our office within the timeframe stated in your Evidence of Coverage. Medical Mutual will process and determine your liability, if any. You **should not** pay the provider's bill until you have submitted the claim to us.

Where Do I Find a Claim Form?

You can find dental and other claim forms on My Health Plan at **MedMutual.com/Member** under the Resources & Tools tab, or by calling Customer Care toll free at **1-800-982-3117**. TTY users should call 711.

What Is the Service Area for SuperDental Medicare Advantage?

SuperDental Medicare Advantage offers a multi-state network that includes additional providers not listed for your plan's service area. For a complete list of SuperDental Medicare Advantage providers, visit **MedMutual.com/MADental** or call our toll-free number at **1-800-982-3117** for more information. TTY users should call 711.

How Do You Find SuperDental Medicare Advantage Providers That Serve Your Area?

As a MedMutual Advantage member, you have access to the SuperDental Medicare Advantage provider network. This dental provider directory lists your network providers by county and by specialty. The directory is also available by logging in to My Health Plan at **MedMutual.com/Member**. You can also request a hard copy by calling Customer Care.

If you have questions about your plan, or require assistance in selecting a dental provider, please call our Customer Care department toll free at **1-800-982-3117**, 8 a.m. to 8 p.m. seven days a week from Oct. 1 through March 31 (except Thanksgiving and Christmas), and 8 a.m. to 8 p.m. Monday through Friday from April 1 through Sept. 30 (except holidays). TTY users should call 711. You can also visit **MedMutual.com/Member.**
