In-Network Providers

MedMutual Advantage® HMO and PPO Plans

Welcome to the TruHearing directory of Ohio-based providers. Providers are ordered alphabetically by last name. There are two types of providers on this list:

- **AUD: Doctor of Audiology.** Audiologists hold a doctoral degree in audiology (Au.D.) and are trained to diagnose, treat, and manage hearing and balance disorders. They are qualified to provide a wide range of hearing health services.
- **HIS: Hearing Instrument Specialist.** These professionals are trained to evaluate hearing and fit hearing aids. They can test hearing and fit hearing aids but are not qualified to diagnose or treat medical conditions related to hearing loss.

You can also use search functionality in your browser or PDF viewing tool to locate city names or ZIP codes. For additional questions, please reach out to TruHearing at 1-866-201-9427.
