Introduction

This directory provides a list of EyeMed Insight network providers. To get detailed information about your vision coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your vision services. You may go to any of the network providers listed in this directory. EyeMed does not require referrals for vision providers. Other providers are available in the network. For a complete list of EyeMed Insight providers, visit **MedMutual.com/FindAProvider**, or call EyeMed Customer Care toll free at **1-844-854-2906** for more information. TTY users should call 711.

The provider network may change at any time. You will receive notice when necessary.

Out-of-network providers

Under this plan, you must receive your covered vision services from a vision provider who is a member of the EyeMed Insight network. Services will be reduced or denied if you do not use a network vision provider, and you will be responsible for the full amount charged for those services.

What is the service area for EyeMed Insight?

EyeMed Insight offers a nationwide network that includes additional providers not listed for your plan's service area. For a complete list of EyeMed Insight providers, visit **MedMutual.com/FindAProvider** or call EyeMed Customer Care toll free at **1-844-854-2906**. TTY users should call 711.
